This Appraisal-Valuation is determined by using percentage margins for Importers, Wholesalers & Retailers. The Values given, we consider a fair value for purpose stated, and are based on an average of the above levels. Profit margins are at the discretion of the Seller and items can be a matter of negotiation, and fluctuations in the exchange rate bullion prices and stone base prices. We accept no liability for variations in valuations. The quality of the stones are estimates only except where specifically stated, the stones were removed and graded. The above values are inclusive of GST
